

Memorial
University Medical Center

Be One of Us.

There are people who truly make a difference in the lives of others. **Be one of them.** Join the award-winning team at Memorial University Medical Center located in the beautiful coastal city of Savannah, Georgia.

The Rehabilitation Institute

Physical Rehabilitation

Memorial University Medical Center is a 530-bed academic medicine center with a Level 1 trauma center. The Rehabilitation Institute at Memorial University Medical Center offers a variety of treatment programs to help patients heal physically, emotionally, and spiritually. We focus on the patient's ability rather than disability. The Rehabilitation Institute's primary goal is to help patients return to a fulfilling, independent lifestyle despite physical limitations caused by an accident or illness. We provide an array of treatment services, including specialized programs for brain and spinal cord injuries, stroke, joint replacement, wheelchair sports, and aquatic therapy.

Services

The Rehabilitation Institute provides inpatient and outpatient services, including occupational therapy, physical therapy, speech/language therapy, recreational therapy, and specialized rehabilitation nursing. We also offer hydrotherapy, consisting of active wound care provided by licensed physical therapists.

A highlight of our treatment program is Recovery Road, a simulated community environment that gives patients the opportunity to practice their rehab skills in a "real life" setting, while still under the care of our dedicated team. This helps to facilitate a smoother transition back into the community.

The Rehabilitation Institute works closely with physiatrists, physicians, psychologists, and case managers for patients who are referred to rehab therapies or programs.

There is a better career waiting for you. **Be one of us.** For more information about employment opportunities at Memorial University Medical Center, please contact our Talent Acquisition Center at 912-350-9618 or 1-800-332-8592. Apply online at memorialhealth.com/careers.
