EXHIBITION INFORMATION

PERINATAL UPDATE 2010

Invitation to Exhibit

The departments of Neonatal and Perinatal Outreach at Memorial University Medical Center will be presenting the annual Perinatal Update on March 3, 4 & 5, 2010 at the Savannah Marriott Riverfront. This conference is designed to provide current, continuing education in an ongoing effort aimed at attempting to reduce perinatal morbidity and mortality in the Southeast. If you have any questions, please call Cindy Hendry at (912) 350-8022.

This conference is attended annually by over 500 health care professionals affiliated with a variety of facilities throughout the Southeast and Mid-Atlantic States. Physicians and nurses representing Neonatology, OB/GYN, Pediatrics and Public Health services are major participants in this event. Once again, we are extending our brochure distribution throughout a major portion of the continental United States. You are cordially invited to participate as an exhibitor at our conference. Historically, conference participants have been enthusiastic about our exhibitors and the products/services they display.
